

ATLANTIC AQUA FARMS

PREMIUM SHELLFISH

PEI Oyster Growers,

We are expecting to have 50 million oyster seed available to sell to Prince Edward Island customers between June and August 2026, once CFIA issues an import permit for seed. Below are the details about the seed and the timeline for the seed importation (pending the CFIA issuing the import permit).

DETAILS:

- *Crassostrea virginica* triploid Oyster Seed, retained on 1mm, suggested stocking on 850-900um screen
- Maine Line crossed with Rutgers' Haskin NEH® Line
- Produced by Mook Sea Farms Inc, in Maine, USA
- Sold by Atlantic Aqua Farms Ltd.
- Priced at \$45 per thousand, CAD, sold FOB Cymbria PEI
- A non-refundable deposit of 25% plus applicable taxes is required to secure an order. The balance of payment shall be due prior to retrieval of the seed by the Customer.
- Minimum order size is 500,000 seed
- Availability dates are estimated to be weeks of June 15, June 29, Jul 13, and Aug 3 (subject to change)

TIMELINE:

- 1. Customers can express interest in purchasing seed by submitting the following information to Seed@atlanticaquafarms.com by end of day Monday May 4, 2026.**
 - Contact Information: Full name, Company name, phone number, email address
 - Quantity of seed they are interested in purchasing
 - Preferred delivery date. Customers should also specify if any of the 4 delivery dates will not work for them
- 2. We will review all expressions of interest and allocate seed quantities to customers, assign preliminary pick-up dates, and provide purchase order forms and terms & conditions, via email, by end of day Friday May 8, 2026.**
- 3. Using the information we provide to customers on May 8, 2026, Customers will then need to submit their official Purchase Order and deposit to Seed@atlanticaquafarms.com by end of day Friday May 15, 2026.**

We look forward to working with you.

Regards,

Atlantic Aqua Farms Ltd.
